Joanne,
cc: Ellen,

Attached is a summary of yesterday's meeting (how I understood!)
Since I don't have Jonathan's email address, will it be possible to have it reviewed by him?

I thought "food waste" portion was not clearly defined (probably this portion comes from the state and not directly defined except for just "taking it to the near-by land-fill.)

I am hoping we can show this summary to our members at the next meeting.

Anyway, please review.
